### Entry Requirements and Procedure

#### General rules

The competition will be held under WA regulations as modified for Masters by WMA via their Competition Rules and any other special rules specified for this competition.

#### Qualifications for Entry

The World Masters Athletics Championships are open only to men and women who were born on or before 26 March 1988 and who are physically fit. Entries must be made at each competitor must follow the rules laid down by the technical and organizing committees. WMA has the right to reject entries of athletes considered ineligible through misconduct or other disciplinary related matters.

An athlete must be a citizen of the country they will represent, or they must be a resident of that country for a minimum of 3 years. If an athlete has represented a different country at a previous WMA World Championship or Regional Championship, they must have change-of-allegiance paperwork on file with the WMA Council at least 30 days before the entry deadline.

#### General Information

Athletes may enter online or by using a paper entry form. Online is the preferred method of entry. See below for details about each method. All entries must include full payment to be considered valid. Athletes who cannot pay online must instead send a paper entry form and payment to their WMA National Masters Member ("Member"), which will then register them and pay on their behalf. **The entry deadline is 31 January 2023.** No entries will be accepted after the entry deadline.

All entries are subject to validation by each athlete's respective Member. Members will confirm the athlete's date of birth, citizenship and/or residential qualifications and other relevant requirements. After an athlete's registration has been validated, its status will display as "accepted" on the list of entries online (wmaci2023.com). Validation is a manual process that each Member completes, so there will be some time (days or weeks) between when you submit your registration and when it is validated. Athletes who have questions about the status of their entry should contact their Member. For athletes who reside in a country where there is no WMA National Masters Member or where the Member fails to fulfill its obligations, their entries will be subject to the approval of the WMA Council.
